OUR BRAND PROMISE

Promises are meant to be kept, so we don't make ours lightly.
The KIAN Brand Promise says what you can expect from us.

BETTER DESIGN

Expect higher creativity and better designed systems. Combining style and performance, our versatile and timeless designs cater to various market segments. Our 'better design' mindset is applied to all fields of endeavour within **KIAN** to give you ever better end-to-end service.

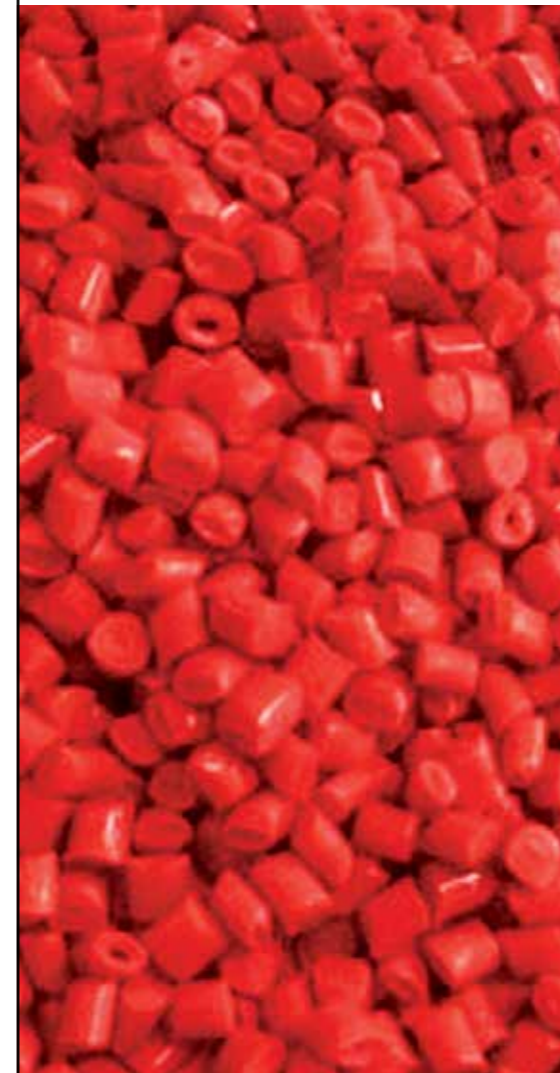

BETTER VALUE

Expect to have peace of mind and convenience. We provide smart and total furniture solutions, prompt responses, and reliable coordinated on-time delivery. Expect exclusivity and reasonable prices. Our designs are created only for **KIAN** by our talented team of designers, and cost savings from our LEAN factories are passed on to you.

BETTER WORLD

Expect to engage with a company that has a conscience, one that cares for the environment and for the total wellbeing of its people. We want to help make our world a cleaner, safer, more sustainable home. Partner with us if your business shares a similar vision for greener products and happy employees.

Stackable

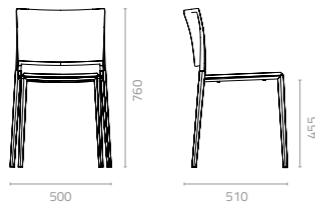

120 chair

W500 x D510 x H760 x SH455mm

Packing: 0.258m³, 4pcs/ctn

Stackable

Inspired by the American Midwestern style and Shaker craftsmanship, the stackable Louvre chair is a lightweight chair with an open backrest. It reinterprets the design of traditional wooden chairs and utilises the quality of modern plastic injection moulding technology. It is a no-nonsense design that is enjoyable and familiar to the user, and at the same time, modern and fun. The Louvre Chair is stackable and can be used indoors and outdoors.

Also available in sustainable 100% Ocean Plastic (OP).

Polypropylene and mild steel combine to present modern sophistication, pure lines and a sturdy, stackable chair in ultra-fresh colours. The 120 chair is inspired by a triangle's inherent strength. Look for the chair's unique feature of three 120° angles, adjacent to each other, forming the joint between the front leg and the chair seat.

Also available in sustainable 100% Ocean Plastic (OP).

REVIVAL & SPONGE

Design Enrique Martí

Design KIAN

Stackable and made completely of polypropylene (PP), a contemporary material instead of traditional wood, the aptly named REVIVAL chair retains the vintage charm of a much-loved classic design. Giving this reinterpreted chair of a bygone era a distinct modern flavour with a choice from a great palette of colours.

MATERA

Design Enrique Martí

If you had to choose just one chair for both indoor and outdoor areas, the Matera chair is your pick. Made of a metal frame and LLDPE, the Matera is water-resistant, so using it for all fresco dining poses no problems. It also saves storage space as it's stackable, and the simplicity of its design makes the chair an easy fit anywhere. To have a different feel for indoor and outdoor spaces, just choose a different colour to distinguish between the two sets of chairs.

PINCH & OBIE

Design Cilicon Faytory

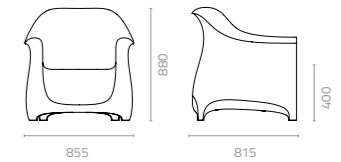

Design Attribute Design

This series features dramatic volume while preserving graceful, natural curves. The wide seats comfortably fit people of all sizes.

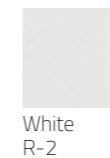

The Obie Arm Chair and Love Seat are designed for both indoor and outdoor spaces. Fashioned from polyethylene, this collection enjoys the considerable benefits of UV protection, imperviousness to fluids, durability and ease of cleaning. Using a single material in its construction also allows for cost-effective recycling.

VIENNA

Design Silvia Marlia

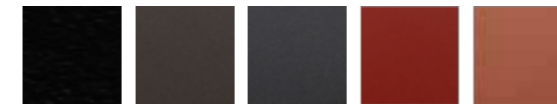

The 1930s are back again in the reinterpreted Vienna Collection. The design and aesthetics of indoor furniture are brought outdoors, complete with aluminium castors for easy manoeuvrability in open-air spaces. In a contemporary twist, a shiny powder-coated aluminium mesh replaces the classic cane feature; all frames are made of aluminium; and the cushioned seats and backrests are in Sunproof outdoor fabric.

SANDY

Sandy chair
W475 x D575 x H850 x SH440mm
Packing: 0.400m³, 6pc/ctn

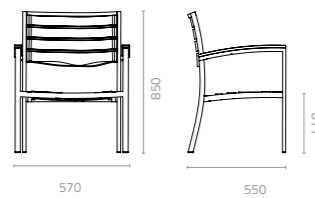

The Sandy Series combines the lightness of aluminium with the eco-friendly Artwood to present a collection that looks perfectly at home in indoor or outdoor scenarios. Artwood looks, feels and even acts like wood, but it is not wood. It's made from 100% modified polystyrene, it is recyclable, and does not need oiling and protection if left outdoors. This collection also features an eight-seater dining table and a three-seater bench.

Packing: 0.380m³, 1pc/ctn

Named after the Goddess of Truth in Roman mythology, the Veritas Chair truly gives ease a new meaning. The bigger proportions of this 'traditional terrace' styled chair oozes a feeling of roominess and generously adds to its comfort. The stackable Veritas Chair is the obvious choice for those who prefer their chair seat to be a little less snug. Made from mild steel with e-coating and outdoor powder coat, metal slats or Artwood slats, this affordable industrial vintage-styled chair is designed for shaded outdoor use and is available as Chair, Arm Chair and Barstool.

**Available in metal & Artwood*

KINO

Design Cilicon Faytory

Kino highstool
W410 x D410 x H755mm
Packing: 0.130m³, 1pc/ctn

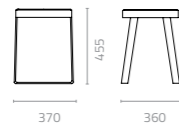

The beautiful neckline of the Japanese traditional Kimono inspired the Kino Series. Sleek and uncomplicated in design, except for the unique table top detailing, the Kino Series effortlessly accommodates both indoor and outdoor environments. It has a phenolic top fitted onto a galvanized mild steel frame.

Packing: 0.616m³, 1pc/stack

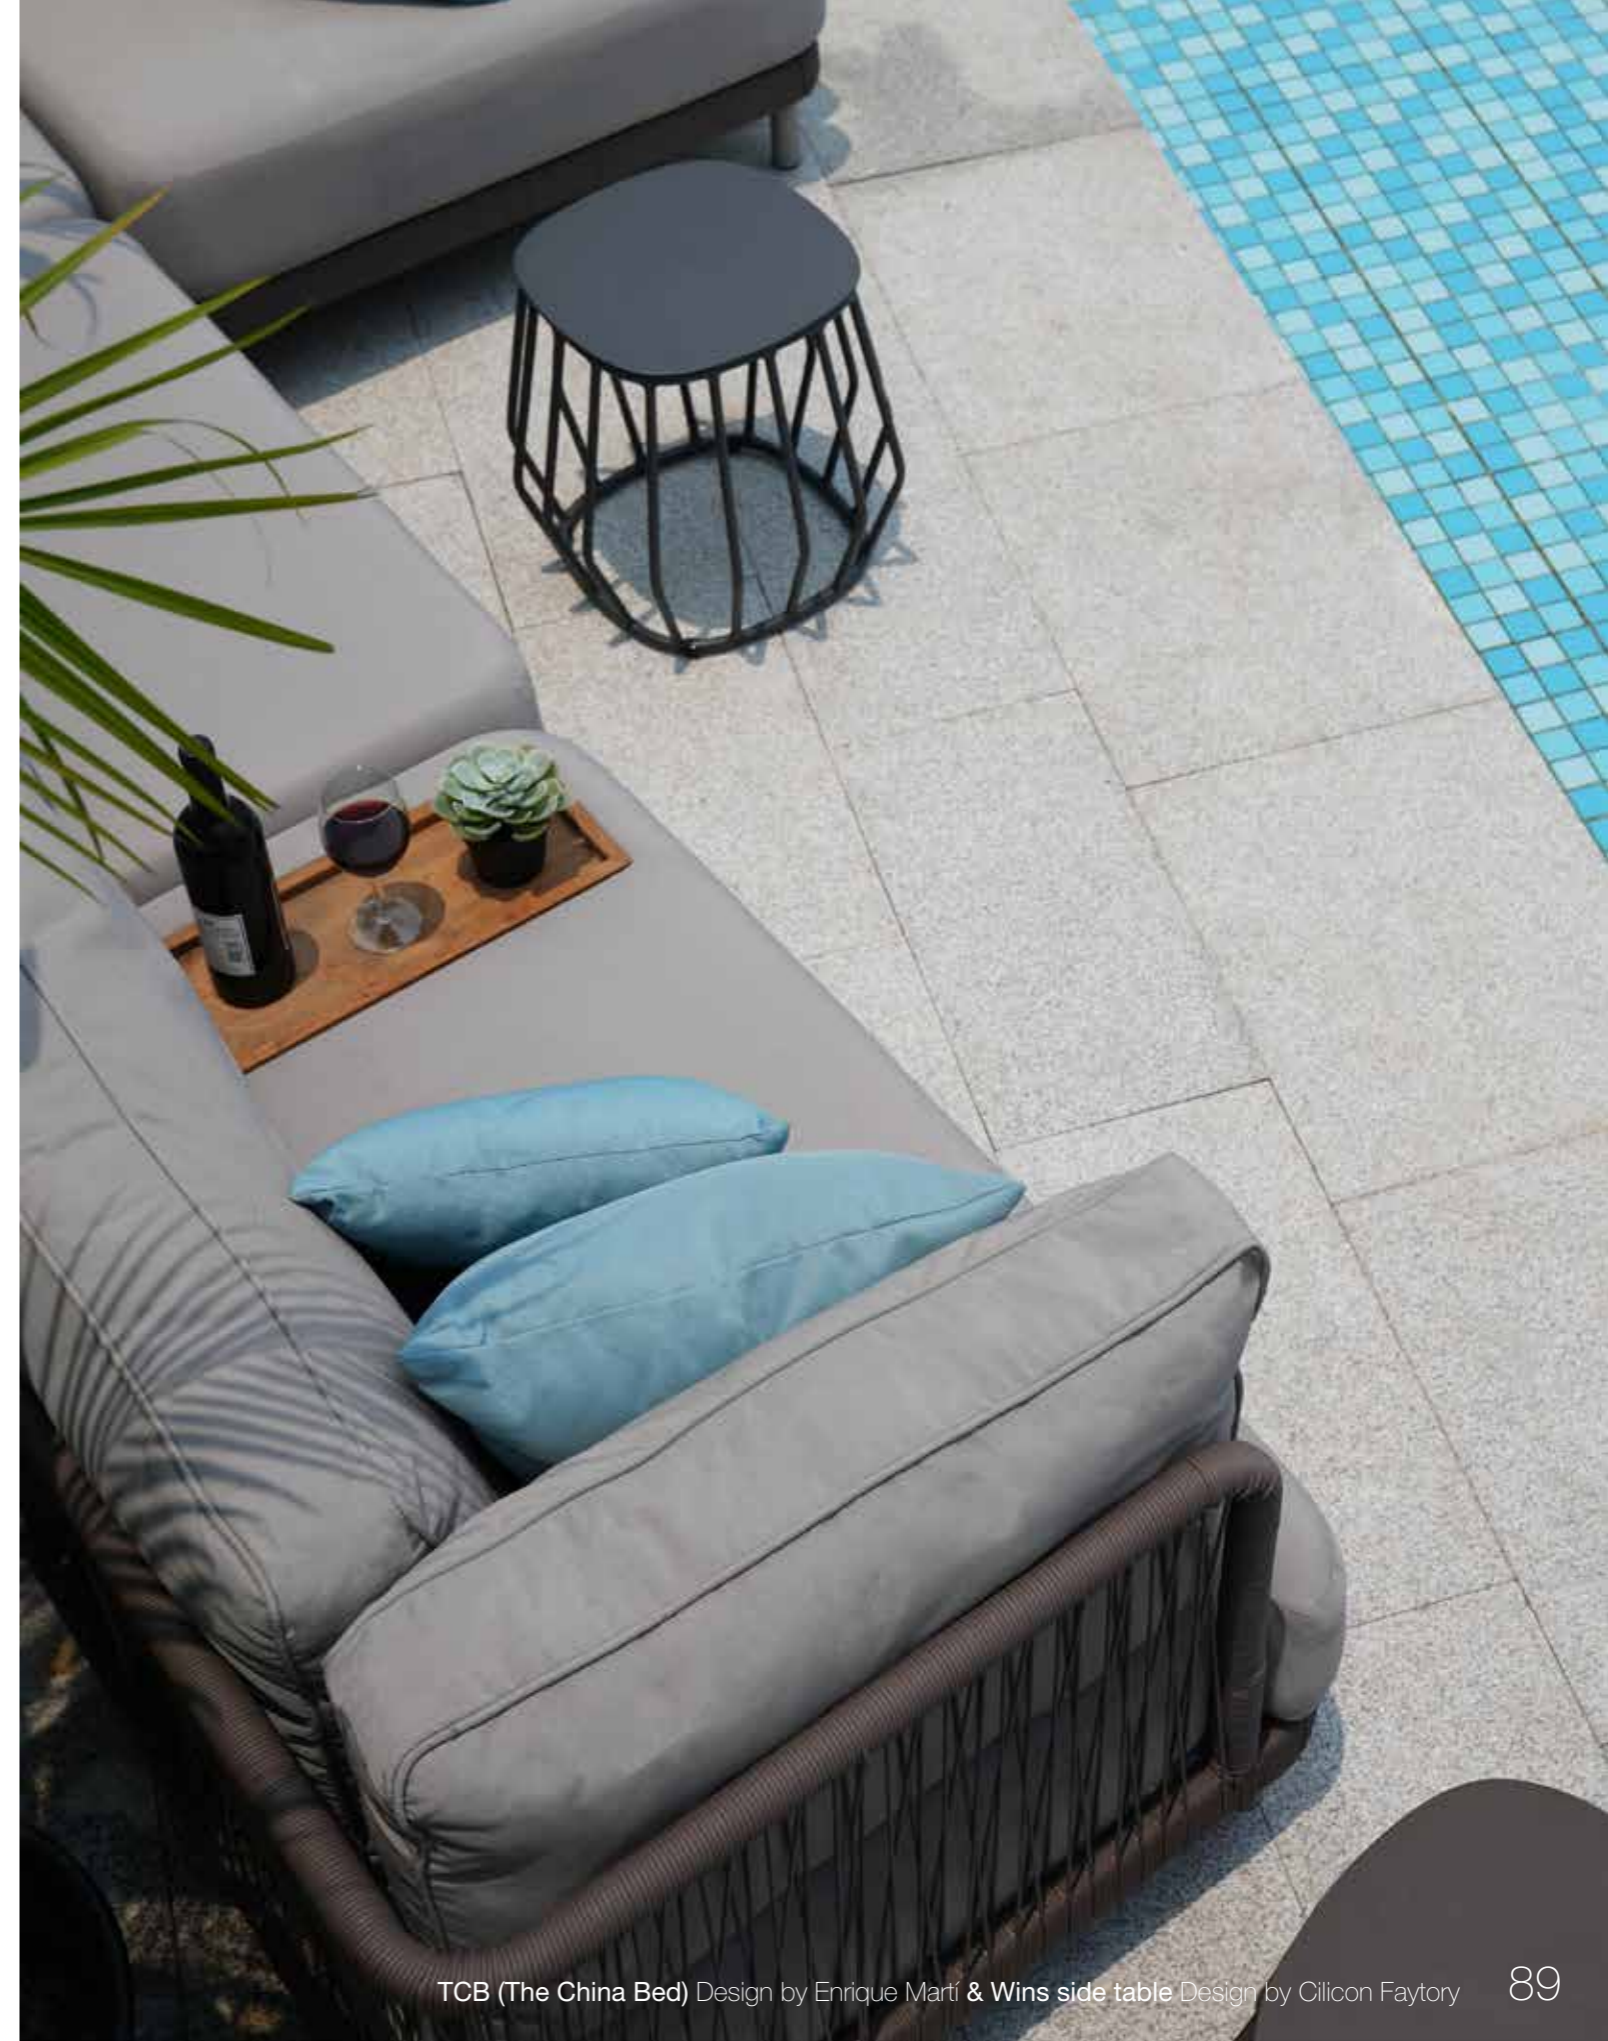

Talk about being luxuriously lazy in your back garden! Everything about The China Bed (TCB) recalls the indulgent ease of opium smokers on their beds in China's past. A sunshade keeps the sun from the eyes while one snoozes or reads and even getting up for a drink poses no problems. That's because TCB has a slightly sunken tray for holding a cup or glass. Corner units can be combined to form a two-seater.

MOEL & LEON

Design Enrique Martí

Design KIAN

Neo 1-seater sofa
W1300 x D905 x H840 x SH390mm
Packing: 0.846m³, 1pc/stack

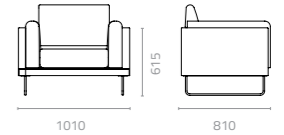

Fancy feeling cosily suspended in midair when sitting or lying down? Like big cradles, the one-seater, two-seater and three-seater in the Neo Collection all seem to dangle weightlessly in the air, supported at both ends by legs of sturdy teak wood or powder-coated steel. Wide armrests easily balance a drink or a book. The Collection is constructed of flat wicker on aluminium frames with foam cushions in Sunproof outdoor fabric.

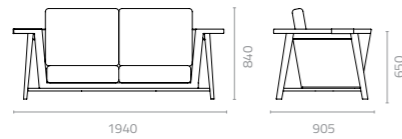

The square lounge seat-styled Moel Collection is a natural choice for environments that require furniture to be adaptable. This modular range of 1950s-inspired sofas can be arranged in combinations that maximise the space available. Upholstered in Sunproof fabric or sporting wickerwork on a stainless steel frame, all three versions of the sofa are ideal for outdoor use. Indoor fabric is an option for indoor spaces.

SNAKE

Design Danny Fang

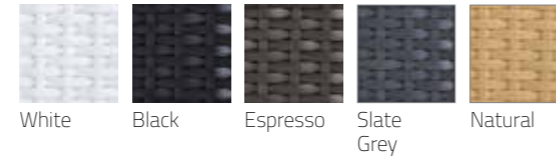

Snake inner corner sofa
W1390 x D860 x H830 x SH440mm
Packing: 3.400m³, 2pcs/stack

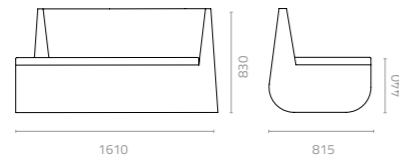

There is something inviting about furniture that features graceful flowing curves, especially when arranged harmoniously together. The modular Snake Series beckons temptingly with a cosy flat wicker love seat that partners a matching ottoman and cocktail table. This aluminium-framed collection is ideal for lounge and waiting areas and in corporate environments.

AMOUR

Since time immemorial, handmade hemp baskets have met human needs in countless ways: from storing food to cradling babies to trapping fish. Their rounded shapes are the inspiration for the very adaptable Basket Chair of contemporary design. Made of stainless steel and plastic wicker, this comfortable non-stackable outdoor chair stands out for its comfort, attractiveness and easy-fit into almost any kind of environment.

CAPRI & COMO , NOVA

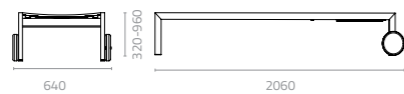

Capri sunlounger
W600 x D1950 x H320 - 870mm
Packing: 4.166m³, 25pcs/stack

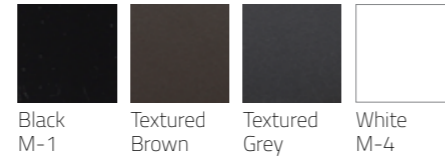

Combining an aluminium frame with lightweight Batylene textylene, the Sunlounger issues a subtle invitation to recline, take it easy and soak in the sun. If a shadier spot is preferred, the rear wheels easily help in its mobility. Opt for with or without rear wheels, aluminium or stainless steel frames, and flat wicker or textylene seat. Textylene is an outdoor fabric that resembles a fine net and is very strong.
