## ABOUT **BAREKA BY KIAN**

BAREKA is a sub-brand of KIAN with a sole focus to effectively outfit F&B establishments - primarily QSRs, Bars, Restaurants and Cafés - with a full-suite of professional and manufacturing services & capabilities catered for your F&B business aspirations.

Our name BAREKA by Kian was inspired to help customers remember what we do best, saving you time and effort in the process. With your budget and goal in mind, we plan, design, build and install every fixture, fitting and furniture your business requires, whilst managing the entire project from start-to-finish.

The Alf chair is crafted from high-quality hardwood, offering both sturdiness and aesthetic beauty. Its natural wood grains enhance the sense of nature within your concrete surroundings. If you prefer softer surfaces, the Alf chair can be customised with upholstered fabric in the colours of your choice. Available with or without armrests, the Alf chair provides varying levels of comfort to suit everyone's preferences.
